

The 2014 Sneddon Hof GermanFest Planned for January 17-18, 2014

The 28th Annual Sneddon HOF German Festival held at Weber County's Golden Spike Event Center (GSEC), which will be held January 17-18, is considered Utah's Premier Winter Family Fun Event. The Sneddon Hof GermanFest continues to be the most outstanding family German themed festivals in Utah. The event is held on the third weekend of January each year and is held inside the heated Exhibit Hall at the GSEC.

Because of his passionate service to the perpetuation of Ogden's Hof sister city relationship, we honor and pay a special tribute to the man who helped keep the relationship alive—Scott Sneddon.

Outstanding German bands flown in from Hof, Germany, California and Utah will perform on a professional stage. The festival also features authentic German food by Siegfried's Sausages, Vossen's Paradise Bakery, and the Nutcracker Suites Nut Roasters are other tasty reasons to attend this annual festival. Great authentic craft booths by local and out-of-state vendors decorate the festival and offer their wares. The Weber State University Institute Folk Dancers and yodeling lessons will entertain festival goers. The young at heart can dance to polkas, waltzes, and the "chicken dance" late into the night.

Plan to attend this enjoyable cultural family event either or both days from 11:00AM until 10:00PM both days.
